WHITFIELD CUP – EGG AND SPOON RACE by Angus and Emilio

There were three races. In the Grade 5/6 race Summer came first, Tom came second and Angus came third. In the Grade 3/4 race Emilio came first, Seamus came second and Corrie came third. In the Grade 2 race Isabelle came first, Emily came second and Declan came third. In the Grade Prep/1 race Aroha came first, Reuben came second and Mike came third. In the adults race...well, nobody knows!

Even though many eggs were dropped (and kicked) I'm sure everybody had fun like always!

SACK RACE By Summer and Mikaylee

The sack race was the first race, it was really fun and even all the visitors enjoyed it. We all had a great time. Tom won the Year 5/6 race, Claire won the 3/4 race and Isabelle won the P-2 race. Pete Christison won the adults race.

THREE LEGGED RACE By Corrie and Judd

At the Whitfield cup day there was a three - legged race. In Grade 3/4 Claire and Zoi came first, then Judd and Corrie came second and Emilio and Wirra came third. For the Grade 5/6 Summer and Charlotte came first, Tom and Cope came second and Emilio and Angus came third. For Grade 2 Emily and Casey came first and for the Prep/1 race Vera and Hope came first. It was a fun Whitfield Cup day and every one had fun at doing the races.

WHITFIELD CUP RACE by Cope and Wirra

The last race was the Whitfield Cup. The races were in finals, the top two from each race made it to the next race. There was the semis, the preliminary and the grand finale. In the grand finale, Tom and Inanay came first, Cope and Vera came second, Mikaylee and Owen came third and Charlotte and Mike came fourth.

WHITFIELD CUP STALLS by Amilie, Ollie and Zoi

On Monday, the 6th we had our Whitfield Cup day. Amilie was dressed up as a doll named Annabelle and Zoi went as a horse rider off Hartland. There were heaps of stalls. One of them was the donut challenge run by Amilie and Toria. Zoi, Kalika, Casey, and Normie did face painting and Ollie, Cope, Mike and Owen did the Oreo challenge. There was lots of people this year so we got lots of money. The stall which made the most money was the cupcake stall ran by Summer, Mikaylee, Hope, Vera and Aroha, they raised \$197! Charlotte, Claire, Delilah and Lachan did a jellybean count. In the jar there were 338 jellybeans and Isabelle guessed 333 so won all of the jellybeans in the jar. All the games and stalls were really fun!

YEAR P-2 FASHIONS ON THE FIELD by Paul and Seamus

The first person to come on the fashions on the field was Kody, he came as batman from Gotham city and he likes to save people

the bad guys. After Kody was Aroha, she came as herself; she came from the king river camp, and she liked to dress in pretty clothes and play games. Next was Kayleb he came as Harry Potter from the Hogwarts school of witchcraft and wizardry. He said he could do spells but he was a wizard in training. Hope was next to come and she came as Snowflake and came from the North Pole, she liked to play at the park and in the snow. Vera was a vampire bat from Whitfield and she liked to drink blood from her victims. Reuben came as Spiderman, he came from New York and liked to save people from the Green Goblin. Mike came as Darth Vader from Star Wars and Inanay came as Camari the Princess.

YEAR 3-6 FASHIONS ON THE FIELD by Amy and Claire

Fashions on the field was amazing! Claire was a French artist from England, Tom, a pocket calculator and Amy was a vampire. Miss Feldtmann called people up and they

showed their costume. Charlotte was Dorothy with the two dogs and her dad was the tin man.
