FOUR CRITICAL ACTIONS FOR SCHOOLS
Responding to Incidents, Disclosures and Suspicions of Child Abuse

PROTECT

1. RESPONDING TO AN EMERGENCY
If there is no risk of immediate harm go to Action 2.
If a child is at immediate risk of harm you must ensure their safety by:
• separating alleged victims and others involved
• administering first aid
• calling 000 for urgent medical and/or police assistance to respond to immediate health or safety concerns
• identifying a contact person at the school for future liaison with Police.

Q: Where does the source of suspected abuse come from?

WITHIN THE SCHOOL
VICTORIA POLICE
You must report all instances of suspected child abuse involving a school staff member, contractor or volunteer to Victoria Police.
You must also report internally to:
GOVERNMENT SCHOOLS
• School Principal and/or leadership team
• Employee Conduct Branch
• DET Security Services Unit
CATHOLIC SCHOOLS
• School Principal and/or leadership team
• Diocesan education office
INDEPENDENT SCHOOLS
• School Principal and/or school chairperson

WITHIN THE FAMILY OR COMMUNITY

DHHS CHILD PROTECTION
You must report to DHHS Child Protection if a child is considered to be:
• in need of protection from child abuse
• at risk of being harmed (or has been harmed) and the harm has had, or is likely to have, a serious impact on the child’s safety, stability or development.

VICTORIA POLICE
You must also report all instances of suspected sexual abuse (including grooming) to Victoria Police.

You must also report internally to:
GOVERNMENT SCHOOLS
• School Principal and/or leadership team
• DET Security Services Unit
CATHOLIC SCHOOLS
• School Principal and/or leadership team
• Diocesan education office
INDEPENDENT SCHOOLS
• School Principal and/or chairperson

If you believe that a child is not subject to abuse, but you still hold significant concerns for their wellbeing you must still act.
This may include making a referral or seeking advice from Child FIRST (in circumstances where the family are open to receiving support), or to DHHS Child Protection or Victoria Police.

YOU MUST TAKE ACTION
As a school staff member, you play a critical role in protecting children in your care.
• You must act, by following the 4 critical actions, as soon as you witness an incident, receive a disclosure or form a reasonable belief that a child has, or is at risk of being abused.
• You must act if you form a suspicion/reasonable belief, even if you are unsure and have not directly observed child abuse (e.g. if the victim or another person tells you about the abuse).
• You must use the Responding to Suspected Child Abuse template to keep clear and comprehensive notes.

* A reasonable belief is a deliberately low threshold. This enables authorities to investigate and take action.

2. REPORTING TO AUTHORITIES
As soon as immediate health and safety concerns are addressed you must report all incidents, suspicions and disclosures of child abuse as soon as possible. Failure to report physical and sexual child abuse may amount to a criminal offence.

INDEPENDENT SCHOOLS
• Diocesan education office
• School Principal and/or leadership team
• DET Security Services Unit

CATHOLIC SCHOOLS
• School Principal and/or leadership team
• Employee Conduct Branch

GOVERNMENT SCHOOLS
• School Principal and/or leadership team
• DET Security Services Unit

Your Principal must consult with DHHS Child Protection or Victoria Police to determine what information can be shared with parents/carers. They may advise:
• not to contact the parents/carer (e.g. in circumstances where the parents are alleged to have engaged in the abuse, or the child is a mature minor and does not wish for their parent/carer to be contacted)
• to contact the parents/carers and provide agreed information (this must be done as soon as possible, preferentially on the same day of the incident, disclosure or suspicion).

You must also report all instances of child abuse as soon as possible. Failure to report physical and sexual child abuse may amount to a criminal offence.

3. CONTACTING PARENTS/CARERS
Your school must provide support for children impacted by abuse. This should include the development of a Student Support Plan in consultation with wellbeing professionals. This is an essential part of your duty of care requirements.
Strategies may include development of a safety plan, direct support and referral to wellbeing professionals.

You must follow the Four Critical Actions every time you become aware of a further instance or risk of abuse. This includes reporting new information to authorities.

4. PROVIDING ONGOING SUPPORT

YOU MUST TAKE ACTION
