### POLICY

#### 1. School profile

Whitfield District Primary School was established in 1875 and is located in the King Valley. We have 33 students enrolled from Foundation to Grade 6. We have two full time staff and 10 part time staff members including a teaching principal, classroom and specialist teachers and education support staff. The school also implements the Chaplaincy program one day per week.

Our school grounds are surrounded by nature and we value opportunities to care for our natural environment. Most students who live locally walk or ride their bikes to school, and we have a large number of students who

travel by bus. Whitfield District Primary School has developed close ties to the local community, and enjoys support from our local shops and community services.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

Our school's vision is to empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults. We aim to provide exceptional educational experiences.
